**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In the residential marketplace offering consumers choice is paramount. I have been in markets with a sole provider and the cost is prohibitive. Access needs to be open and fair for all as we live in troubling economic times. Competition is important. This is why we need to support competition by supporting small providers such as Sonic.

Thank you for your time.
